

ABP Humber Coastal
10k/Half Marathon: On the day Entry
Sunday 20th September 2026

10k £32/£30 Half £38/£36

Exact cash preferable due to poor signal.

10k starts at 10am

Half starts at 1030 am

Kings Road Cleethorpes

Entry available as follows.....

Saturday 19th Cleethorpes RNLI on the Central Promenade. 10am until 2pm

Race Day Start line 830am onwards....head to the John Roe Toyota van where you will see an INFO flag. This is located on Kings Road, not far from the leisure centre, between Chichester and Cromwell Road.

We are unable to reserve any places but anticipate we will have around 150 available across the 2 distances, on a first come first serve basis. We have never sold anywhere near this amount on the day before.

Payment is preferably by **exact cash** as signal is intermittent for our card payment machine.

Please read the [RUNNER GUIDE](#)

The most efficient way of completing a late entry is via the **RaceTec QR app**(see logo below)

This can be downloaded here from [ios/Apple](#) and [Android](#) devices.

This will guarantee there are no spelling mistakes and you will be correctly recorded on the race results.

- Once it is downloaded to your phone you will see a picture of a runner with the word RACES next to it. Click on this and it will bring up a list of races. Please select the ABP Humber Coastal 10k/half.
- You then need to enter all your details on the screen.
- Once you have correctly inputted all details please click on QR code at the bottom of your screen
- You then need to select the 10k or half marathon as required from the drop-down box at the top of the screen and add in a few more personal details.
- Click next This will generate a QR code which will stay in the app.
- Bring the QR with you to one of the above 2 locations on race weekend.

The app will not take any money from you!

Baggage facility.....please note if you intend leaving any baggage whilst you run the race, this facility is located on the central promenade near to the finish line, around a 10 minute walk to the start....there is no baggage facility at the start as we are unable to move any vehicle due to the race timings and road closures.

Unable to use the app...don't worry just come along to one of the 2 locations and one of our team will assist you.
